Photo / Video Consent Form

We often use photographs and video to capture great moments, celebrate victories and friendships and even record player activity/practices/games for assessment at a later date.

Since an image of your child is considered 'personal information', especially when matched with a name, we believe it is important that parents are informed of the proposed usage and provide written consent. Please understand that when a media employee/reporter takes a picture of your child, that picture is usually published in the paper's online version. This turns the original 'paper' image into an online or electronic image, giving it a digital fingerprint.

Pursuant to the Municipal Freedom of Information and Protection of Privacy Act (M.F.I.P.P.A.), we request that parents/guardians read the Photo / Video Consent for details and understand how we use player(s) personal information.

Please check ☒ **one** of the following:

- ☐ **YES**, I/we consent to the use and/or disclosure of my child's first and last name and image for the purposes outlined below:

Under this section, the player's address and phone number would **not be given out**. A consent form that is checked '**Yes**', signed and returned to the team manager provides your child with the opportunity to appear/participate in (but not limited to) the following: in the newspaper or online media site where players are photographed or videotaped by a media representative/reporter; for the purpose of producing articles, good news stories, advertisements or promotional material supporting the team or Woodstock Minor Hockey; a photograph or video taken to submit to the newspaper, Woodstock Minor Hockey's social networking sites or website.
